

Sri Lanka Tour Booking Platform

Revolutionizing Travel Planning & Experience

Your Gateway to Authentic Sri Lankan Adventures

The Opportunity

Growing Travel Demand

Sri Lanka receives 1.3M+ annual visitors seeking authentic experiences and seamless booking solutions

Fragmented Market

Current solutions lack integration, transparency, and locally-curated experiences for international travelers

Local Business Support

Small tour operators lack digital presence and access to international markets

Our Solution

For Travelers

- One-stop booking platform
- Curated, authentic experiences
- Transparent pricing & reviews
- 24/7 customer support
- Personalized recommendations

For Operators

- Reach international market
- Easy listing & management
- Dynamic pricing tools
- Payment processing
- Analytics & insights

A comprehensive platform connecting travelers with authentic Sri Lankan experiences

Key Features

AI-powered filters by activity, location, budget, and experience level	Authentic traveler feedback with verification and rating system	Multiple payment options with fraud protection
24/7 multi-language customer support	Comprehensive tools for managing tours and bookings	Full-featured iOS and Android applications

Target Market

Primary Travelers

- Adventure seekers (25-45 years)
- Eco-conscious travelers
- Family vacationers
- Cultural enthusiasts
- Wellness & retreat seekers

International travelers seeking authentic, curated experiences

Local Operators

- Tour companies & guides
- Eco-lodges & resorts
- Adventure activity providers
- Cultural experience hosts
- Hospitality businesses

SMEs seeking digital presence and international reach

Revenue Model

15%

Commission on all tour and activity bookings

Premium
